What to Bring:

- lunch and beverages; cooler
- Soft-soled shoes
- Sunscreen, bug spray, and/or light raingear
- Sunglasses and/or hat
- Camera or video
- **Absolutely no illegal drugs, weapons, or other similar items allowed on the trip!**

Other Information:

- All dates reserved will require a **\$100.00 deposit** within two weeks after receipt of this letter. We cannot guarantee your date without a deposit! This amount will be deducted from your charter fee. Credit cards accepted online, but not at the dock.
- If you are subject to motion sickness, medication may be needed--ask your pharmacist or doctor.
- Since 2/3 of Lake St. Clair is Canadian, Canadian law requires a one-day Canadian fishing license for each angler 18 years of age and older to fish in their waters. Please fill out the enclosed form for each person in your fishing party (or you can do this online at <http://www.millers-sportfishing.com/license.html>) so Captain Don can procure the licenses in advance and have them onboard the day of your trip. **License applications MUST be received by noon on the Wednesday before your charter date**, as a trip across the border is only made once a week. The cost of a one-day Canadian non-resident license is \$24 per angler.
- If you do not want to purchase Canadian licenses for your party, all fishing must be done in Michigan water (only 1/3 of the lake)—please let Captain Don know if you do not wish to fish in Canadian waters.

Please review all enclosed materials carefully. The deadline for mailing, submitting online, e-mailing, or faxing the license information is noon on the Wednesday before your scheduled date. If you have any questions, please call Captain Don at (586) 268-2025, or (734) 395-8820, or you may e-mail me (dsmiller2@comcast.net).
